Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 24 September 1958

FROM : Chief, Orientation Faculty, IS

SUBJECT: Weekly Activities Report #37, 17 - 23 September 1958

1. Intelligence Orientation

a. IO #24 ended on 19 September. On the final examination, only one student received an Unsatisfactory rating. This is the lowest percentage of failures during the last six months. In some recent courses, containing a high proportion of lower grade personnel, failures have run as high as 15-18%.

b. This class was unique in two ways:

1. The average grade level was unusually high (GS-12). (The average grade level for the past several classes has been about GS-7).

2. Over 60% of the students were newcomers to the Agency. (In recent months, most classes have contained 75% or more students with at least two years of Agency experience).

c. Three offices provided substitute lecturers during the second week of IO:

25X

d. Three permanent changes in lecturers also were made:
